 - Hospital Bed Usage & Availability
 - Ventilator Usage & Availability
 - Hospital COVID-19 Specific Metrics

Question of the Day: What happens when a person infected with COVID-19 is identified? (SOURCE: Association for State and Territorial Health Officials)

- Health care workers quickly isolate a person identified to have COVID-19.
 - Health care workers are trained to identify patients with COVID-19 symptoms.
 - Health care workers are trained to take travel histories indicating contact with COVID-19.
 - If a person has already been tested for COVID-19, they may be re-tested.
 - Health care workers are trained and practiced in patient isolation

- Persons identified as having COVID-19 receive treatment
 - Health care workers are trained and practiced in treating COVID-19 cases.
 - Persons identified as having mild to moderate symptoms are typically isolated at home for 14 days with home treatment guidance.
 - Most people diagnosed with COVID-19 will experience mild to moderate symptoms.
 - Persons identified as having severe symptoms of COVID-19 may lead to hospitalization and possibly intensive care with supportive measures.
 - Supportive care can include fluids, pain-killers, infection prevention and control measures, supplemental oxygen, and mechanical ventilatory support when indicated.
 - Many health care systems are experienced in caring for patients with infectious disease.

- Persons infected with COVID-19 will be interviewed for contacts following detailed guidelines
 - Early tracing of COVID-19 contacts can help reduce transmission.
 - Health care workers identify COVID-19 cases quickly to reduce transmission.
 - People who have been in contact with a COVID-19 patient may be quarantined.
 - People are thought to be highly contagious when they are most symptomatic (the sickest).
 - People who have been in contact with a COVID-19 patient are monitored for temperature and symptoms.
 - Early and potentially highly efficient transmission of the virus may occur before clinical symptoms or in conjunction with the very first mild symptoms.

Yuma County health officials confirm “community spread” of COVID-19 throughout Yuma County. We encourage all residents to take the necessary precautions including physical distancing and staying home if you are sick. Remember to:

- Wash your hands often with soap and water for 20 seconds.
- Avoid touching your face, especially your eyes, nose, and mouth.
- Avoid people who are sick, and avoid groups of 10 people or more.
- Clean and disinfect frequently-touched surfaces like light switches, door knobs, electronic devices, etc.
- Stay home if you are sick so you do not expose others.
- Practice physical distancing, staying 6 feet away from others.
- Cover your mouth and nose with a cloth face cover when around others.

JOINT INFORMATION CENTER (JIC) UPDATE

NOTE, some of the below information has been updated from previous releases. Please be sure to read all segments.

Questions from the public can be emailed to: COVID@yumacountyaz.gov

These questions will be collected, categorized and answered through the DAILY UPDATE and a future DAILY LIVE program on YUMA 77 & Yuma County Government FACEBOOK LIVE

CITY OF YUMA

City of Yuma facilities will be closed to the general public through at least June 22. The City Council meeting on Wednesday, June 17 will be conducted remotely through technological means along with limited public, in-person access, consistent with social distancing requirements.

Crane Elementary School District Meal Program

Taking a two-week recess from curbside meal service and food box distribution starting on June 8th – June 19th. The meal programs at Salida del Sol/Rancho Viejo and Mesquite Elementary Schools have been closed since June 5th.

Since the school closures, Crane School District has provided over 440,000 meals to the community, and provided \$150,000 in milk and produce through the Farmers to Families Program.

YUMA INTERNATIONAL AIRPORT

Everyone's health and safety is important to the Yuma International Airport team. Therefore we have placed hot buttons in the upper left corner on [Yuma International Airport website](#), with COVID information specific to air travel and COVID updates from Yuma County.

Brewers Restaurant & Sports Bar at the airport is open from 11:00 am to 9:00 pm for dine-in seating (seating in accordance with CDC guidance), pick up, curbside pick-up and deliveries from their airport location East to 9E

Beginning May 11th, American Airlines will require passengers to wear face masks while on the aircraft.

The following June flight schedule is tentative and subject to change. The airline will contact ticketed passengers if there is a change to your travel itinerary.

Departing flights from Yuma:

6:40 AM - DFW - June 9-20

8:00 AM - PHX - June 9-30

2:36 PM - PHX - June 9-30

Daily Arriving Flights to Yuma

11:34 AM - PHX - June 9-30

5:05 PM - PHX - June 8-30

7:52 PM - PHX - June 8-30

Marine Corps Air Station Yuma

Effective April 6, 2020 and until further notice the Trusted Traveler Program is cancelled. This is an additional safety measure that #MCASYuma is taking in order to help stop the spread of #COVID19.

What this means is that essential personnel that do not have common access card (CAC) and Department of Defense (DOD) identification cards are not authorized to

come aboard the base without going to the Pass and Registration office and obtaining a base access pass. Essential personnel may obtain base access by providing the appropriate paperwork to the Pass and Registration Office during working hours.

ALL VISITORS will be required to provide justification for needing access to the installation and will not be granted access to the base simply because they know someone that has a CAC or DOD identification card who will be sponsoring/escorting them aboard the base.

As of April 6, 2020, sponsoring a visitor aboard MCAS Yuma that does not have a CAC or DOD identification card is strictly prohibited unless approved at the Pass and Registration Office.

YUMA PROVING GROUND

Although certain access restrictions directed by the Department of the Army are in place, Yuma Proving Ground's essential test mission in support of Army modernization priorities continues. Access to Yuma Proving Ground is currently restricted to the following:

- *YPG residents, including Travel Camp residents
- * YPG employees
- * Civilian contractors who work at YPG
- * Other personnel who come to YPG for an authorized purpose (including personnel on official orders to YPG, DoD retirees/ID card holders, and delivery drivers)

PUBLIC is urged to follow on [FACEBOOK](#) & [TWITTER](#) as well as sign up for [Yuma County eNOTIFICATIONS](#)

DON'T FORGET!!!! THE JOINT INFORMATION CENTER REMINDS EVERYONE that while you're at home REMEMBER it is easy to respond to the [CENSUS ONLINE](#)!!!!
